CERTIFICATE OF COMPLETION

Sanaeva Nargiza Payzullaevna:

Congratulations on successfully completing the China-Uzbekistan "Seismic Resilience" Science and Technology Cooperation and Technical Training Program from December 2024 to January 2025. In recognition of your achievement, we hereby award you this completion certificate as a token of encouragement. We hope you will apply the knowledge and skills acquired to contribute to the development of seismic resilience in both China and Uzbekistan, and elevate scientific and technological cooperation to new heights.
